October 24, 2017

Dear Friend of Saint Theresa School,

I am writing to you today to ask for your support. I am sure that you are aware of the very warm and humid weather that all of us experience during the day here in Hawaii. Our students sit in classrooms during the day at which temperatures can reach close to 90 degrees with the humidity between 60 and 80% at times. As you can imagine this is not conducive to a positive learning environment.

In 2015 our parents were asked; what upgrades would they like to see at Saint Theresa School? One of the request was to have our school air conditioned. Throughout the years, we have had a few generous donations and some of our classrooms do have A/C units in them. Father Greg and the Administrative Staff at Saint Theresa School would like to answer their call to complete the process of putting A/C units in all of our classrooms and our library.

The School is in the process of upgrading our electrical system in order to handle the electrical load for the new A/C units. The School has secured funds for this upgrade but we need your help in funding the installation of the individual classroom units. We are asking for your support to give our Keiki a comfortable environment in which to learn.

On March 8, 2018 Saint Theresa School will hold its 1st Annual Golf Tournament at the Hawaii Prince Golf Club. The full details of the tournament are attached.

Today I am asking for your support and hope that you will consider becoming a sponsor for our golf tournament. By becoming a sponsor you will be helping our school to provide a more suitable learning environment for all of our students.

May God bless you for your generosity,

Mrs. Bernie Gora
Principal

“Saint Theresa School Needs Your Support”

In 2015 our parents were asked; what upgrades would they like to see at Saint Theresa School? One of the request was to have our school air conditioned. Throughout the years, we have had a few generous donations and some of our classrooms do have A/C units in them. Father Greg and the Administrative Staff at STS would like to answer your call to complete the process of putting A/C units in all of our classrooms and our library.

As you know our electrical system has to be upgraded in order to handle the electrical load for the new A/C units. The School has secured funds for this upgrade. We need your help in funding the installation and the individual A/C units.

We are asking for your support to give our Keiki a comfortable environment in which to learn. Come join us for a fun day of fellowship and golf on March 8, 2018.

Registration forms are available at the entrances to the church, the school office, and in the rectory office. They will also be available on the parish and school website: <http://www.sts-hi.org> or <https://www.co-cathedral.org>

We invite you to join us as a sponsor for this event by choosing from one of our “Sponsorship Opportunity Levels” and / or supporting us through donations of various prizes and raffle items.

By becoming a sponsor you will be helping our school to provide a more suitable learning environment for all of our students.

Mahalo and thank you for your continuous support to St. Theresa School

Fr. Gregorio Honorio Jr.
Pastor

Mrs. Bernie Gora
Principal
